## “THE PURPLE EAST.”

### Interesting Lecture.

There was a large audience at the Coliseum on Sunday night when the Very Rev. Canon O'Dwyer, P.P., V.F., delivered a lecture entitled “The Purple East,” which was illustrated. The lecture was on behalf of the building fund of St Munchin's Church, and in the course of his address, Canon O'Dwyer gave a vivid and interesting description of the Holy Land, which he visited this year on a pilgrimage. He explained to his audience the historical places mentioned by the itinerary and graphically delineated the holy shrines, the country of the sea, and the places hallowed by the deemer.

At the conclusion, the thanks of the audience were tendered to the Canon for his informative lecture.
