such a galaxy of talent to chose from, is an enviable one, and it is hoped that, with such excellent material at their disposal they will find a side to win this year's international championship, which for the last two seasons was almost within the country's grasp.

**LEAGUE'S PROGRESS.**

Garryowen avenged their recent defeat at Limerick in the League by Dolphin in their return fixture at Cork on Saturday last. The game was at times robust, but was always interesting from the spectators' point of view, and was maintained at a very fast pace right through. The scoring, by keenness displayed, was kept down, and was confined to a try secured by G. Griffin, Garryowen, about mid-way in the first half. This was converted by Mathews. Goalkeeping forward play was the feature, the Limerick men holding the advantage, but, as a rule, this is a bad scoring department. In the concluding stages Garryowen, who had a fairly strong team, were worth a score of two more, but in the result came out victorious by 1 goal (5 points) to nil. O'Connell, McMahon, and Griffin were the outstanding figures by the scrum, while Hanley, Mathews, Glynn, and Flynn were the mainstay of the front rank.

**FOR DUBLIN.**

Garryowen make the journey to Dublin on Saturday next, where they meet Clontarf in a friendly game. The Limerick men are confident, and should secure a comfortable win.

**FIRE AT A FIRE STATION.**

A fire broke out on Tuesday at the Central Fire Station, Haledown, Worcester-shire, during the temporary absence of the fire officials, and a passer-by gave the alarm. A man at work in an adjoining office extinguished the flames, but not before some of the apparatus was destroyed.
