this expression of their grateful acknowledgment

what he calls "fussing." And, of course,  
to falls, to scratched knees and cut hair.  
But she doesn't worry. That's what makes  
Mother. She knows the Lifebuoy secret.  
She knows how to cope with these things  
dirt and grime and scratches. With  
infections in them that are a danger to  
Boys who ordinarily hate soap and  
Lifebuoy. They like its colour—its clean  
They recognise Lifebuoy as the real  
more. It is a constant protection.  
Lifebuoy is safe.
