COUNTY SWORN ENQUIRY.

The Minister for Local Government has ap-
pointed Dr J. D. McCormack, Medical Inspector,
to hold a sworn enquiry in Newcastle West at 12
o'clock on Wednesday into certain alleged irregu-
larities reported to him in the discharge of his duties
under the Bovine Tuberculosis Regulations by
Mr T. B. Hayes, M.R.C.V.S., Veterinary Inspector
for the districts of Rathkeale and Glin.

THE COLISEUM.

Warner Bros. are again scoring a sensation with
"Song of the West," a natural colour, singing,
talking, dancing picture, in technicolour, which
comes to the Coliseum Theatre on Monday next.

This picture is the first of its kind to be made
out of doors, with the vivid high Sierras as a
scenic back-ground for the dramatic action of this
story, adapted from the operetta "Rainbow," by
Oscar Hammerstein II and Laurence Stallings,
with Vincent Youmans' music. More than 300,000
dollars worth of recording equipment was installed
in a wild, lonely spot two hundred and fifty miles
from Los Angeles in order to take these scenes.

MENTAL HOSPITAL SPORTS.

The Limerick Mental Hospital sports will be
held on Thursday, 2nd October next, the annual
fixture this year. The Committee have arranged
an interesting programme. These annual reunions
prove a source of great enjoyment to the inmates.
We feel certain that, as on former occasions, the
public will assist the Committee in providing the
necessary funds for so laudable an object, more
especially when it is stated that the Committee
intend to provide out of the funds this year a
wireless set for the enjoyment of the patients.

WORKMAN'S FATAL INJURIES.

Thomas Blake, aged fifty years, of George's
Quay, who sustained serious head injuries on
Wednesday in falling from an old building, which
he was engaged taking down, succumbed to-day
in Barrington's Hospital. At the time of the
accident, which occurred in Michael Street, the
deceased fell a distance of thirty feet. He was
married, and leaves a family.

CHEAPER BREAD.

It is announced that the price of bread will be
reduced in London to 7½d. a quarter next Mon-
day. This is a reduction of one halfpenny.

It is understood that the price of bread is also
to be reduced in Dublin.

On and after Monday next the retail price of
bread in Belfast will be reduced to 4½d for the 2lb
loaf.
