## GRAND CENTRAL

### "The Love Parade."

A beautiful picture, "The Love Parade,"  
featuring Maurice Chevalier, one of the most  
popular actors of the screen, will be produced at  
the Grand Central next Monday and during the  
week. It is a Paramount production, in which  
there are ten original songs. These were written  
by Victor Schertzinger, musician and director, a  
man of many talents, who has already written a  
number of successful songs. Clifford Grey wrote  
the lyric. Heading the supporting caste is  
Jeanette Macdonald, who possesses much of the  
same magnetic personality and gay refreshing  
view points as Chevalier. Lupino Lane, the well  
known English actor, and Lillian Roth, a new-  
comer to the films, but at 19 a star in musical  
comedy, supply the secondary comedy as the  
valet and maid. Others in the caste are Edgar  
Norton, Eugene Pallette, and E. H. Calvert.

## DEATH OF MR THOMAS TUIE.

Numerous friends in the city will regret to learn  
of the death of Mr Thomas Tuite, which took place  
this afternoon at his residence, Roxboro' Road,  
after some weeks illness. Mr Tuite was widely  
known and highly esteemed as a railway official,  
he having had in all 55 years service with the old  
Waterford and Limerick and the G.S. & W.R.  
For a considerable portion of that time he occupied  
the responsible position of accountant in the goods  
store, and he retired four years ago on pension to  
enjoy well earned rest. His demise removes from  
our midst a popular citizen, and sincere sympathy  
will be extended to his relatives in their sorrow.  
Funeral arrangements appear in obituary notice.
