MYSTERIOUS DROWNING NEAR CITY.

About two o'clock this afternoon the Civic Guards, William street, received a phone message from a man named Ryan that he saw a young woman in the river just before she sank at Barrington's Pier. Inspector Chambers and a party of the Guards at once proceeded to the place and found a girl's coat, shoes, and hat, at the Pier. The woman appeared to have been well dressed, and it is unknown how she got into the water, and there is no evidence so far of identification. The tide was out at the time, and dragging operations are being carried on for the recovery of the body.

COUNTY LIMERICK MAN'S DEATH.

Mr. T. J. Liston, M.L.B., Tipperary.

We regret to record the death, which occurred at Tipperary on Tuesday, of Mr Terence J. Liston, manager of the Tipperary branch of the Munster and Leinster Bank in that town. Mr Liston, who was in his 47th year, and was a native of Castlemahon, Newcastle West, had been ailing for some time. He had served with conspicuous success as bank manager in Castleblayney, Omagh, and Londonderry before coming as manager to Tipperary. A keen lover of sport, he was a popular personality, and deep regret is felt at his early death. He was son of the late Mr P. T. Liston, solr., Rathkeale, and brother of Mr P. Liston, solr., of that town, and Mr J. T. Liston, solr., Charleville. The funeral took place to-day (Thursday) for Castlemahon.
