## FUNERAL OF MISS D. GILLIGAN

The remains of the late Miss Delia Gilligan, who was associated with social and philanthropic work in the city, were interred in Mount St. Lawrence Cemetery last evening. The funeral took place from St. John's Cathedral at half past four, and the extent of the cortege was a fitting tribute of respect to the memory of the deceased, and the sympathy felt for the members of her family in their bereavement. Every phase of city life was represented in the large cortege; the parishioners of St. Mary's being present in large numbers, especially the members of Athlunkard Boat Club, with whose functions she was always closely identified.

The chief mourners were—Messrs Patrick and John Gilligan (brothers); Mrs J. Murnane and Mrs T. O'Donnell (sisters); Miss D. Shanahan (neice); Messrs T. O'Donnell and J. Murnane (brothers-in-law); Messrs Christopher, James, William, and Michael Gilligan, J. Dooley, J. Gleeson, M. Gleeson, and G. McInerney (cousins); D. Murnane (relative).

The clergy present were—Rev Father Carroll, C.C, St John's; Rev Father Rice, C.C, do.; Rev Father Brassill, C.C, do.; Rev Father Kennedy, Rev Father Matthew, O.F.M, and Rev Father Isidore, O.F.M.

Amongst the wreaths sent were those from her brothers and sisters, her aunt, Lansdowne Rugby F.C., and St Mary's Band.

## Condolence from Athlunkard Boat Club.

At a general meeting of the Athlunkard Boat Club, held last evening, the following resolution was proposed by Mr W. Reaball—"That we tender to the brothers, sisters, and relatives of the late Miss D. Gilligan our sincere sympathy in the great bereavement they have sustained in her death." Reference was made to the many charitable and social works in which the deceased lady was ever engaged, and also to the generous help she had always given to functions connected with the Athlunkard Boat Club.

The President (Ald. Reidy), in putting the resolution to the meeting, which was passed in silence, spoke of the many good qualities of the deceased lady, and the widespread regret which her demise has occasioned.

A case against Place, was also found on the prentide travellers to t The men were
