Mr Canty, in supporting the resolution, observed that it was one of the most sensible that had come before the Council for a long time.

The Chairman—There can be no objection to the part of the resolution dealing with de-rating.

Mr Hewson—No.

The Chairman—And I suppose there can be no objection to providing water and sewerage schemes in the county?

Mr Madden—No; these are very necessary services, and must be carried out in the interests of the public health.

The Chairman—What do you think of the part of the resolution which asks that no new works which would place a heavy burden on the ratepayers be carried out?

Mr Hewson—I propose that that paragraph be adopted.

Mr Condon seconded.

As an amendment, Mr Fahy proposed and Mr Mackey seconded that the paragraph be rejected.

On a division, the amendment was defeated by 14 votes to 13.
