DEAR SIR—THE COMMITTEE OF LADIES
 who have so kindly arranged for the above
 during the past eight winters have now re-
 opened the Municipal Kitchen. To ensure
 a continuance of the success which has
 hitherto attended their efforts the support of
 the citizens is again necessary.

I beg, on behalf of the Committee, to ask
 for a renewal of the generous help which has
 been hitherto accorded to this deserving and
 very necessary undertaking. Last winter
 the Ladies' Committee provided 15,940
 dinners and 4,261 teas, which is an average
 of 200 meals per day.

I shall be glad to receive and acknowledge
 all subscriptions sent to me for this Fund to
 provide cheap meals for the very poor of the
 city without distinction of creed.

Yours, etc.,

P. F. QUINLAN, Mayor of Limerick.
 Mayor's Office,
 23rd November.

DEATH OF MISS M. FROST.

The death, which we regret to announce,
 took place at St. John's Hospital last night
 of Miss Margaret Frost after a few weeks
 illness. The deceased was daughter of the
 late Mr Michael Frost, Mungret, and sister
 of Mr S. Frost, sanitary sub-officer. Miss
 Frost was a lady of engaging manner and
 cheerful disposition, qualities which endeared
 her to a wide circle of friends, who deplore
 her demise and extend sympathy to her
 brother in his bereavement.

The funeral will leave St. John's Cathedral
 at 3 o'clock to-morrow for Mount St.
 Lawrence Cemetery.

LIMERICK DRAMA LEAGUE.

The Limerick Drama League has now far
 advanced in preparation for its initial
 production of the season. The play selected,
 "Still Running," is from the pen of Mr J. J.
 McKeown, the author of the "Rale McCoy,"
 and is in humorous vein. A talented caste
 is being coached and gives promise of an
 engaging interpretation of the roles. The
 League Committee expect that a liberal
 measure of support will be accorded to the
 comedy, in their laudable effort to develop a
