DEATH OF MR. J. A. O'CONNELL.

The death of Mr Joseph A. O'Connell, which took place at his residence, Bellevue Park, Cork, yesterday, has been learned with regret by numerous friends in Limerick. The deceased, who was a native of Dublin, was for a number of years secretary to the firm of Messrs. F. Spaight & Sons, Ltd. Having received an appointment under the Cement Marketing Company, he left for Dublin, and was recently transferred to Cork. During his connection with Limerick Mr O'Connell took a prominent part in social events. He was president of the Irish Club, and played in several of the Gilbert and Sullivan Operas produced by the Limerick Operatic Society. He leaves a widow and family to mourn his loss.
