THE CITY PEACE.

Redemptorist Priest's Appeal.

Preaching to the members of St. John's Division of the Arch-Confraternity of the Holy Family in the Redemptorist Church last night the Rev. Father Murray, O.S.S.R., Spiritual Director, appealed to all who claimed to be true members of the Arch-Confraternity to do all they could to see that peace and good order were preserved in the city. To use their influence at all meetings of any kind in which they had a voice or authority in seeing that no resolution was proposed or carried which was not in full agreement with the law of God and the teaching of the Church.

ALD. D. BOURKE, T.D., BEREAVED.

Sincere sympathy will be tendered to Alderman Daniel Bourke, T.D., on the death of his eldest sister, Miss Mary Bourke, 43 Roxborough Road, last night. The sad event took place in St. John's Hospital following an operation earlier in the day. She enjoyed the friendship of a wide circle of friends for her kindly disposition and engaging manner. Coming so quickly on the death of his mother-in-law, Mrs Gavin, the blow to Alderman Bourke is all the more severe, and in his bereavement he has the condolence of the citizens generally. The funeral arrangements appear in our obituary column this evening.

THOMOND ARCHÆOLOGICAL SOCIETY.

The Committee of the Thomond Archæological Society and Field Club propose this winter to form two classes for the study of archæology and natural history respectively. We feel assured the project will have the hearty support of the members, who are invited to fill up cards intimating their desire to join the classes and to forward them to the hon. secy. Mr. J. N. A.
