THE PADDOCKS, LIMERICK.

Weekly Cattle and Sheep Market.

Wednesday, January 17th. Cattle—Increased
entry, a useful class, full attendance of buyers.
more beef, and a good show of bullocks and heifers ;
also some youngish cows of the right stamp, trade
active and firm, purchasers operating freely ;
handy weight heifers nicely done met a ready
sale, plenty of buyers to absorb what beef was
shown ; this section of the market was cleared,
good allround enquiry with improved demand ;
young stores dull. Two-year-old heifers showing
quality and fair condition changed hands, yearlings
quiet. The general aspect was busier, with a
better turnover, and a good clearance. 3 year old
heifers, £7 10s.—£9 17s. 6d. ; bullocks, £7—£10 ;
fat cows, £5 12s 6d—£9 ; 2 year old heifer, £4—
£7 3s. ; bullocks, £3 10s.—£5 ; yearlings, £3 5s.—
£4 10s. Dairy cows, fair enquiry for the right
class, £7 5s.—£11 17s. 6d. Sheep—Shorter num-
bers than last week, the class a better description,
steady selling trade, well fed sheep in demand and
easily cashed, with competition, prices around
recent currencies, comparative value not less ;
good sheep are wanted, best hoggets enquired for
and sold freely, full rates, secondary sorts slow.
There was strong enquiry, and more good sheep
could have been sold. Satisfactory clearance,
Fat, middle weight, 39/- to 51/6 ; small, 24/- to
36/- ; lambs, 21/- to 26/-.—Wm. B. Fitt & Co.,
Auctioneers.
