MERICK JUNCTION RACES.

Next Week's Attractive Fixture.

A record success is assured the Limerick Junction meeting on next Wednesday and Thursday, as the energetic management is doing nothing undone to achieve this end, the outside course, to which there will be free admission, all classes of amusement will be provided, thus emulating the palmiest days of Barronstown, which was the mecca of huge crowds who thronged to the old rendezvous for the two-day fixture. Everything conducive to the enjoyment of the public has been carefully planned, and it is safe to assume that the praiseworthy enterprise of the Executive will amply rewarded. It is generally conceded that the Junction track is one of the best in the land. A visit to the course this week showed the going to be perfect, and the flat, steeplechase and hurdle events are certain to provide excellent sport. The race for his Majesty's Plate should be worth travelling a long journey to see. Popular prices will prevail for admission, while the rail arrangements will be found to meet the convenience of patrons who make the journey to the venue in this way.
