It was decided to reinstate Mr Hayes on the staff as a whole-time Irish teacher as from the 1st September next at a salary of £170 a year.

### CARETAKERS APPOINTED.

Ten applications were received for the position of caretaker of Newcastle West Technical School at a salary of £2 a week, inclusive.

Mr Madden proposed, and Mr O'Donnell seconded, the appointment of Jas. Riordan, Churchtown, Newcastle West.

Mr Hartney proposed, and Mr McAuliffe seconded, the election of Owen McAuliffe, Knockane Cottages, Newcastle West.

On a division, Mr McAuliffe was elected by nine votes to four.

Ten applications were received for the position of caretaker of Hospital Technical School at a salary of £2 a week inclusive.

Mr McCormack proposed, and Mr Ryan seconded, the appointment of Patrick Fitzgerald, Hospital.

Canon McCarthy proposed, and Mr Madden seconded, the appointment of William Murphy, Hospital.

On a division, Mr Fitzgerald was elected by eleven votes to two.

### EXHIBITION OF STUDENTS' WORK.

On the suggestion of Mr McCormack, it was decided that the Committee provide an exhibition at the forthcoming Limerick Horse and Agricultural Show, at a cost not exceeding £20.

Mr Kirwan said the Department was most anxious that Vocational Education Committees should co-operate with the promoters of Agricultural Shows in conducting exhibitions of students' work. He was sure the teaching staff would co-operate in making the exhibition a success.

### THE NEW SCHEME.

The Chief Executive Officer submitted the scheme for the academic year 1934-35.

The scheme dealt with finance, the hours at which classes should be held at the various centres, and the course of instruction.

Mr Kirwan said the scheme was an excellent one, and it was approved by the Committee.

### AUDIT.

In his audit of the accounts of the Committee for the two years ended March, 1933, Mr P. Fraher, Local Government Auditor, gave the receipts for the year ended March, 1932, as £6,717 3s 8d, and payments £4,410 8s. For the year ended March, 1933, receipts totalled £6,401 5s 4d, and payments £5,341 13s 1d. The Chief Executive Officer's statement of cash assets and liabilities on the 31st March, 1933, showed that assets exceeded liabilities by £6,548 7s 6d. The insurances were in force on the date of audit, and the accounts were presented for audit in a satisfactory manner.

The report was approved.

The Committee decided to ask the Public Works Commissioners their terms for a loan of £10,000 to build auxiliary technical schools at Croom, Kilfinane, Cappamore, and Shanagolden.

A vote of thanks was passed to Canon Curtin for giving a free site for the proposed school at Croom.

Having failed to make a satisfactory contract for the supply of furniture in Irish oak for the technical schools at Newcastle West and Hospital, the Committee decided to have the furniture made of pitch pine.

### BUILDING SITES.

#### In Corbally District.

In connection with the acquisition of land for building sites, a letter was read at the meeting of the Improvement Committee last week from Mr C. Stenson, Borough Surveyor, stating that an ideal site was available in Corbally from Mr Vaughan, who was prepared to negotiate for sale. The site could be used for the building of a good class of houses. He added that the Land Commission was desirous of purchasing the land for division amongst people requiring it, and that being so it would be well that the Corporation communicated with the Commission with a view to securing it for building houses.

The Committee decided to act on the Surveyor's suggestion.

# DEATH OF MR. J. MacNAMARA

The death, which took place in St. John's Hospital on Saturday afternoon, of Mr Jack MacNamara, 77 Henry street, has been learned with much regret in the city, especially in football and athletic circles. The deceased, who was the second son of Mr Martin MacNamara, Postal Telegraph Staff, General Post Office, was only 20 years of age. He had been ill but a week, and his early demise was altogether unexpected. He played junior for Bohemian Rugby Football Club last season, and was, like his brother Brendan, the Bohemian full-back, a fine exponent of the game. He figured prominently in the athletic track, and was an expert swimmer, having won the Perpetual Challenge Cup at the annual gala organised by the Catholic Boy Scouts.

The funeral took place from St. Michael's Church to Mount St. Lawrence Cemetery yesterday. It was of large and representative proportions, and manifested the deep sympathy of the public with the bereaved family.

Rev Father Harty, Adm., St. Michael's, officiated at the graveside, assisted by Rev Father Kelly, C.C.

The chief mourners were—Mr Martin J. and Mrs MacNamara (parents), Messrs. Brendan, Stephen, and Martin MacNamara (brothers), Misses Patricia and Benedict MacNamara (sisters), Mr Stephen Dineen (grandfather), Messrs. J. P. and Frank MacNamara (uncles), Mrs B. McGrath (grand-aunt), Miss A. Dineen (aunt), Messrs. K. B. and Leonard Dineen, Frank, Billie, and James MacNamara (cousins).

Amongst the general public were—The Mayor; Deputy Ml. Keyes, T.D.; Ald. Madigan, Mr J. Dalton, B.C.; Messrs Ed. Treacy, solr.; D. O'Malley, solr.; Dr M. Graham, representing Bohemian Football Club; members of the Postal Telegraph and Telephone Staff, G.P.O.; members of the Catholic Boy Scout Organisation.

Wreaths were sent by the parents, brothers, and sisters of the deceased, and the Bohemian Rugby Football Club. That sent by the latter was of white and red carnations.

Numerous Mass Cards were sent by friends and sympathisers.
