## DEATH OF MR. WALTER BOURKE.

---

A wide circle of friends in the city have heard with deep regret of the death, which occurred on Sunday in Barrington's Hospital, of Mr Walter Bourke, Jessamine Villas, O'Connell Avenue. He was the second son of the late Mr Walter Bourke, a former Corporation official. Mr Walter Bourke, his son, had for some years filled the position of rent collector to the Borough Council in connection with the housing schemes, and he was of a most kindly, courteous, and retiring disposition. In earlier life he was a prominent Rugby player, and was conspicuous as a full-back for Garryowen. All who had the pleasure of his acquaintance mourn his premature demise and sympathise with his sister, Mrs Sheehan, and other relatives in their bereavement.

## DEATH OF MRS. ORR.

---

We regret to record the death, which occurred this morning at Barrington's Hospital, of Mrs Elizabeth Orr, of Rosbrien, relict of Mr Albert Orr, an esteemed citizen. Mrs Orr, who had been in failing health for some time past, was of a very kindly and courteous disposition, a fond mother and kind friend, and all who had the pleasure of knowing her will deeply sympathise with her daughter and other relatives in their bereavement. Funeral arrangements appear in obituary notice.

out of the above case, in which she alleged that her motor car was involved in a collision with the defendant on the night in question, through the negligence of defendant in driving.

His Lordship said that the damage appeared to be exaggerated. He had given £30 for her car originally, but had bought a new set of tyres. If the claim were upheld it would practically mean that the car was beyond repair. He was satisfied on the evidence of the witnesses who had witnessed the accident, and that the plaintiff took all reasonable care in turning the corner, to give a decree for £40.

He dismissed a counter claim by John Ryan for £10, and awarded costs and expenses.
