On the motion of McCarthy, seconded by Mr O'Malley, Mr John Quaide was unanimously re-elected Vice-Chairman, and suitably acknowledged the compliment paid him.

The Secretary intimated that he had not sufficient funds to meet the demands for lime for agricultural purposes. The Committee had made an application for a supplementary grant, but no reply had been received.

Mr McCarthy proposed that the Government be asked for a supplementary grant of £100 from the Department for the purpose of meeting the demands of the farmers under the scheme.

Mr O'Donnell seconded the motion, which was adopted.

A letter was read from Dr K. Hayes, Dublin, thanking the Committee for the resolution passed with him and his family on the death of his brother, Rev M. Hayes, P.P., Ardagh.

LIMERICK MAN'S DEATH.

The funeral took place on Tuesday to Glasnevin cemetery of the late William Landers, a native of Pallasgreen, County Limerick, late Chairman of the Vintners' Assistants' Union.

Deceased, though a young man, was a prominent figure in the licensed trade and trade union for many years past. He represented the Union on the Dublin Trades Council, and the Conciliation Board in the licensed trade. He was also an enthusiastic supporter of the Gaelic games in Dublin.

NEW ENNIS FACTORY.

The tender of Mr P. C. McMahon, Clonroadmore, Ennis, at £6,000, was accepted for the erection at Ennis of a factory for the manufacture of boot and shoe laces and cork insoles. The contractor was instructed to start work this week, so that the company may be in a position to start manufacture early in September.
