CITY COUNCIL AND EXTERN COMMITTEES.

The opinion of senior counsel has been
received by the Law Adviser, Mr J. J.
Dundon, relative to the election of members
of the recently elected City Council on
extern bodies

There was a divergence of opinion as to
whether members of the new Council elected
on committees of the old Council still con-
tinued to be members of such committees.

It was the opinion of counsel that sitting
members of the Council appointed on extern
committees by the former Council remained
members of such committees.
