Men Feared Lost.

It is stated that the number who
died will not exceed 110, and

One of the local miners' lodge
sessions occurred between 1.30
when 480 men were down the
hundred working in another
early.

A rescue party said—"Three-
miles down the pit we were
of fire, which made further
possible."

is expected to make the trip in about
hours.

Plane Crash.

People Burnt to Death.

Two people were burnt to death when
the plane was used to-day to re-fuel
the plane which Sir Alan Cobham and
Squadron Leader Helmore, who left Ports-
mouth on their non-stop flight to

see the wisdom of retaining them when they
will become liable for rates next year. The
proposal from the Labour Exchange will be
considered by a committee of the Council.

SEIZED CATTLE AT TULLOVIN.

Bought Back On Behalf Of The Owner.

A sale of seized cattle, which was due to
take place at Fedamore to-day, was not held,
as the cattle were bought back for the owner
on Thursday. The beasts were seized from
Mr John Fay, Tullovin, last Wednesday for
a debt which was understood to be £13.

Sale of T.D.'s Cattle.

The sale of ten two-year-old bullocks, the
property of Mr George Bennett, T.D., which
were seized for land annuity on Wednesday,
is announced to take place at the pound,
Kilmallock, next Monday at 11 o'clock.

DEATH FROM SCALDS.

The City Coroner, Mr J. S. McNeice, at
an inquest held to-day in Barrington's
Hospital recorded a verdict that Teresa
O'Gorman, aged five years, of 17 Francis
street, died from shock as the result of
scalds accidentally received on Thursday last.

It was stated in evidence by the mother,
Nora O'Gorman, that the child stumbled
over a pot of boiling water in the kitchen
and was severely scalded in the back.

Dr H. D. McGarry, temporary House
Surgeon at the Hospital, certified that death
was due to shock due to scalding.
