

He was much impressed by the fine type of lad in the Company, and by the smart appearance of the members.

At the conclusion of the inspection Col. Barker addressed the boys. Speaking from long experience, he urged them to stick to the C.L.B., which was doing, and would continue to do so much to fit them to take their places in business and society with credit to themselves and to the Brigade. He intended to report to headquarters on the satisfactory state of the Company, and he hoped on the occasion of his next visit to Limerick to be able to compliment all ranks on even greater achievements.

Captain J. L. Enright, Commanding Officer, having thanked Col. Barker for visiting the Company, and speaking so encouragingly to the officers and lads, called for three cheers for the Inspecting Officer, which were heartily given.

Lieuts. R. Auchmuty and C. Ormston were in charge of the C.L.B. Company and the Training Corps, respectively.

DEATH OF MR FRANCIS WISE BROWNING.

We regret to record the death of Mr Francis Wise Browning, a member of an old County Limerick family, which took place on Sunday at Clorane, Kildimo, at the ripe age of 81 years. Mr Browning was very highly respected and esteemed, and the sympathy of a wide circle of friends is extended to his relatives in their bereavement.

The Acting Town Clerk, Mr P. T. Conlan, has received a letter from the Department of Local Government confirming the proposal of the Corporation to acquire under their compulsory powers lands at Kiilalee for the purpose of a housing scheme.
