assist in the survey of the towns in ques-
tion. It was further suggested that a
special meeting of the Board be called to
make arrangements for the preparation of
the survey, and asking that the particulars
of such arrangements should be forwarded
to the Department, together with a list of
the towns to which the survey was applic-
able, the entire survey to be completed
before October 31, 1934

Mr McCormack asked who was to meet
the cost of the survey.

The Secretary said that the Board would
have to bear the cost, as they had asked
for the survey.

Mr MacCormack then proposed that the
County M.O.H. and the Board's Engineer
be instructed in accordance with the De-
partment's circular.

Mr Hogan seconded the proposition,
which was passed unanimously.

The Secretary stated that a special meet-
ing would be called to discuss the matter
in detail, and stated he would prepare a list
of the towns to which the survey was ap-
plicable.

DEATH OF MRS M. NAUGHTON.

The death, which we announce with
regret, occurred at her residence, Lower
Gerald Griffin street, this morning of Mrs
Mary Naughton, at an advanced age. The
deceased was wife of Mr Thomas Naughton,
a former employé of the Harbour Board,
and mother of Mr William Naughton, a
member of the clerical staff of the "Lime-
rick Leader." She was a woman who
enjoyed the respect of a large circle of
friends, who sympathise with her husband
and family in their bereavement.
