

Fatality to Young Child

Accident at Parteen

An inquest was held by Mr J MacNeice, City Coroner, at John street Gardia barracks on Monday evening, touching the circumstances of the death of Wm Browne, aged 2½ years, Parteen, who died at St John's Hospital on Sunday last.

Evidence was given to the effect that the child accidentally knocked against a bucket of boiling water at his parents' house on Thursday last and sustained extensive scalds to the body.

Medical testimony showed that the child died from extensive scalding and shock, and a verdict returned accordingly.

Much sympathy is being extended to Mr and Mrs John Browne, merchant, Parteen, in their sad bereavement.
