

Death of Mr. Richard Gleeson.

A wide circle of friends in the city and county, as well as lovers of sport all over Ireland, will regret to learn of the demise of Mr Richard Gleeson, builder, at his residence, Ashbourne Avenue, Limerick, this morning. Deceased had been a member of the old Limerick Corporation, and was for long years associated with Saint Michael's Temperance Society, being one of the first wielders of the caman in the one time famous club. Intimately connected with sport all his life as a member of the well known Fedamore family, which has given so many renowned players to Gaelic fields, he was uncle to Mr Willie Gleeson and brothers. He was also the originator of the starting gate invention at equine races. The deepest sympathy is felt with his respected family and relatives.
