

## E.S.B. Worker Killed

---

Thomas Leary, 30, single, Ballard Road, Miltowa Malbay, an employee of the E.S.B. was killed while working at the erection of electric light poles at Moy, near Lahinch.

It appears that Leary and a number of other men were carrying a pole on their shoulders and after they had put it down on the ground Leary was seen with his head covered with blood. He was dead when admitted to Ennistymon Hospital.

A verdict of accidental death caused by shock and haemorrhage was returned at an inquest held on deceased. No blame was attached to anyone.

Leary's father was killed by the Black and Tans in 1930.
