

## Fenian Veteran Dies in Australia

---

The death is announced in Ballarat, Australia, in his 80th year, of Mr R P Crowe, a native of Emly, Co. Tipp., who participated in the Fenian Rising in '67. He was one of the Fenians who then laid siege to Emly Barracks.

His brother Michael, local Fenian leader, emigrated to San Francisco, and it was in his home there that the scheme was arranged to send Capt. Filgate with a ship to rescue the Irish prisoners in Australia.
