## BALLYBUNION DROWNING FATALITY.

A message this afternoon from Newcastle West states that Miss Margaret McCarthy (26), Camr, Newcastle West, was drowned while bathing in the sea at Ballybunion last evening.

It appears that Miss McCarthy, who is a nurse by profession, went on her annual holidays to Ballybunion yesterday, and when out swimming got into difficulties.

A boat put off from the shore to rescue her, and, unfortunately, as the occupants were endeavouring to take the drowning lady into the craft it capsized.

Miss McCarthy disappeared, and the body has not since been recovered.
