The Late Miss Mary Burke.

Tribute to Her Ability by Fellow University Students

In the National University Notes in last "Sunday Independent" the following appeared under the heading "Obituary":—

"A gloom was cast on the College when the death of Miss Burke, 11 Crescent Ave., Limerick, a B.Sc. Undergraduate, was announced. Requiem Mass was celebrated in University Chapel by Rev J Burke, Dean, and was attended by a large gathering of students."

Miss Burke, whose lamented death was announced in our last issue, was a daughter of Mr and Mrs W. S. Burke. She was an exceedingly brilliant student of the N.U.I., and the deepest and most widespread sympathy has been extended to her highly respected parents and relatives on her death at the beginning of what promised to be a singularly bright and successful career.
