

Death of Brother Sebastian O.F.M.

On Monday evening the Rev Brother Sebastian, O.F.M., passed away to his eternal reward at a nursing home in Galway. A more kindly or devoted religious did not exist, full of good nature and religious fervour. He was the scion of an old and respected Limerick family, well known and honoured in their native city. He was the eldest son of the late John Shanahan, J.C. one of the first members of the Council under the Local Government Act, and deceased had been for many years attached to the Franciscan Monastery in Henry street. His death will be read of with deep and sincere sorrow all through Limerick by his many friends and of his family relatives. He had been in failing health for some years back, and his last days were spent in prayerful communion with his Divine Master in Whose service he had spent his life-time from boyhood, his great aim in life being that of the sacred Brotherhood to which he had linked his life.
