Success was in no small measure due to  
the encouragement and financial assist-  
ance generously rendered by many  
throughout city and county. Similar  
whole-hearted support, the Society feel  
sure, will again be given this year. By  
becoming subscribing members (minimum  
yearly subscription 5/.) the public can  
do much to assist the Society in its  
laudable object—the advancement of  
Irish as a spoken language. Moreover,  
a yearly subscription entitles a member  
to a reserved seat at all plays produced  
during the season. Subscriptions may be  
forwarded to the Hon. Treasurer, Proin-  
sias Mac Ghionla Losgaidh, 29 Mallow  
Street, who will gladly give further  
details of the Society's activities.

**FATAL COLLAPSE.**

As Maurice Harty (50), labourer,  
employed by Mr. H. R. Bailey, Gortboy,  
Kilmallock, was about to have tea on  
Tuesday he collapsed.

Dr. Ogilvie was called immediately,  
but life was found to be extinct. Dr.  
O'Connor, Dispensary Medical Officer,  
held a post-mortem examination and was  
able to certify that death was due to  
natural causes.

Deceased was a native of Knocklong,  
respectable, honest and hard-working.  
His demise is much regretted.
