**CARPENTER  
ELECTROCUTED.**

**At Ardnacrusha Power  
Station.**

Edward Fahy, aged 35, was accidentally electrocuted at the Shannon Power Generating Station, Ardnacrusha, this morning. He had been employed at the station during the past two months as a carpenter, and while at his job he came into contact with a high tension cable. The deceased was removed to Barrington's Hospital morgue, pending an inquest. He was a married man and a native of Galway.

The body of the deceased was removed this afternoon to Ardnacrusha, pending an inquest.

**CITY RESCUE FROM DROWNING.**

On Saturday night last a young boy fell into the Abbey River while playing in the vicinity. He was in imminent danger of drowning when M. Hayes, St. Francis Abbey, was attracted to the scene by the cries of his four companions. Hayes dived fully clothed into the water and succeeded in rescuing the child, who was none the worse of his experience.
