

LIMERICK MAN DIES IN U.S.A.

The death took place at Central Islip, Long Island, on Wednesday evening, April 15th, of Stephen C. Woulfe, formerly of Broad St., Limerick. The deceased while attending the annual Irish-American Ball in aid of the Catholic Church, suffered a heart seizure. Last rites of the Catholic Church were administered by Rev Joseph A. McCormack, Pastor. He was surrounded by his wife, Margaret, daughter, Mary, and many of his native citizens at the time of his death.

Mr Woulfe was employed in the Central Islip State Hospital for over fifteen years, and was most popular amongst his co-workers, and was noted for his Irish wit and humour.

He is survived by his wife and daughter, sister, Mrs Lyons, of New York City, and a brother, Michael, of this city. The sympathy of the community in Central Islip was shown by the number of spiritual bouquets and the very large cortege to St John's Cemetery.

Funeral arrangements were carried out under the direction of Mr James J. Moloney, undertaker, also a native of Limerick City.

At a special meeting of the Irish-American Ball Committee, held in St. John's Hall, Central Islip, on Thursday evening, April 16th, Mr Jas. O'Doherty, Chairman, presiding, the following resolution of sympathy was passed, on the motion of Mr James J. Moloney, seconded by Mr William Leach:—

"Resolved—That we, the Irish-American Ball Committee, hereby beg to offer to the relatives of the late Stephen C. Woulfe our deepest sympathy in their bereavement, and that same be recorded in the minutes of our organization."
