POPULAR OFFICIAL PASSES

Death of Mr. D. Barry

It is with deep regret we announce the death, which occurred at Barrington's Hospital yesterday morning, of Mr. David Barry, 24 Roche's Street. He was better known as Lieut. Barry of the City Fire Brigade staff, to which he had given al- most 38 years of active and efficient ser- vice.

Lieut. Barry, although not in the best of health for some time past, had been engaged at work up to some days ago, and his demise at a comparatively early age was practically unexpected. He was a most genial and courteous officer of the Municipal Council, and was immensely popular with all who had the pleasure of his acquaintance.

To his bereaved family we extend deep sympathy.

CONDOLENCE.

At a special meeting of the Fire Bri- gade staff held at the Fire Station, Roche's Street, it was proposed and se- cunded, and passed in silence, all mem- bers standing:—

"That we, the members of the Fire Brigade staff, tender out deepest sym- pathy with Mrs. Barry and family on the death of her beloved husband, Lieut. D. Barry."

Signed on behalf of Staff—T. Gough.

Limerick Mental Hospital Committee, on the proposition of Ald. McInerney, seconded by Ald. Reidy, passed a vote of condolence with the widow and family of Lieut. Barry.
