The proceedings then terminated.

Widow's Application

Echo of Co. Limerick Tragedy

Fatal Shooting

In the High Court, on Mon., before Mr.
Justice Hanna, a settlement was an-
nounced in the action in which Mrs
Norah Maher, Maidenstown, Bruree, Co.
Limerick, claimed damages on her own
behalf and on behalf of her four children
for the death of her husband, from Patk.
Coll, Maidstown, Bruree.

The plaintiff alleged that her husband,
Jerome Maher, who had been employed
as a steward and labourer by the defen-
dant, was sitting on a lorry on the public
road at Dromin, when the defendant,
Patrick Coll, presented a shotgun at him,
fired a shot, and inflicted such injuries on
her husband that he died.

The defence was that at the time of the
shooting, and since, the defendant was a
person of unsound mind. Coll was tried
in connection with the matter, but was
found by a jury to be unfit to plead.

It was announced that the settlement
provided for the payment to the plaintiff
of £1,500 and costs, and Mr. Justice
Hanna, making the settlement a rule of
court directed that of the sum £700 be
lodged in court for each of the children,
whose ages range from two years to ten
years, the dividends to be paid to the
mother towards their upkeep until they
come of age.

Mr. J. A. McCarthy, K.C., and Mr. O.
Moriarty (instructed by Mr. Robert
Geary) appeared for the plaintiff, and Mr
Binchy, K.C., and Mr. Hooper (instructed
by Messrs Roger Fox and Co.), for the
defendant.
