MOTHER SEES HUSBAND AND CHILD KILLED.

A mother waving from the window to her nine-year-old daughter as she left for school with her father saw daughter and husband crushed against a wall and railings by a 'bus which skidded on a frosty roadway in Abdrdeen yesterday.

People in the street and passengers in the bus screamed as the bus mounted the pavement in Union Terrace and pinned father and daughter against the railings.

As the child, Alice Rose Davidson, was extricated, she saw her father lying on the pavement and cried "Oh, Daddy, Daddy." She died from her injuries within a few hours.

DEATH OF MR. M. O'BRIEN.

With the deepest regret we announce the death of Mr. Michael O'Brien, 2 Munster Terrace, O'Connell Avenue, Limerick, who passed away yesterday after an illness of some days. The deceased, who was brother of Mr. Thomas O'Brien (Messrs. Nestor Bros.), was an extremely popular figure. He was of a kindly and genial disposition, and was held in the highest respect and esteem by a wide circle of friends and acquaintances. He was prominently identified with sport and was particularly interested in coursing. To his bereaved widow and other sorrowing relatives we extend our very sincere sympathy. The funeral will take place at 3 p.m. on Friday from St. Michael's Church to Mount St. Lawrence Cemetery.

TOUR OF THE FREE STATE BY AIR.

An air tour of the Irish Free State by the newest type of De Haviland Hornet Moth will begin on Monday next, when Mr. John Sillery, an agent of the De Haviland firm, and Mr. St. John Kearney, chief instructor Irish Aero Club will
