PIGEON RACING.

Limerick City Flying Club.

The above Club concluded its young
bird programme on Saturday last with
a young bird race from Larne, Antrim,
when the honour of winning 1st, 2nd, and
3rd went to Mr. J. McNamara, a novice,
who accomplished some feat in disposing
of such well known fanciers as Mr. J.
Brennan W. Gleeson, A. Neilan, etc., es-
pecially the last mentioned fancier, who
flies very consistently in all cross Chan-
nel races. It also brings to a close the
old bird programme, with a race from
Banff, which by a smash at Perth, re-
volved itself into a match between Mr.
J. Brennan and Mr. W. Gleeson the latter
timing in his black hen on the second
day, to win that much coveted trophy,
the Banff Cup.

DIED AFTER BATHE.

Inquest on Limerick Man.

At an inquest held at Kilkee by the
Coroner, Dr. Hilary, Miltown Malbay, on
Benjamin O'Leary, aged 44 years, of
O'Connell Avenue Limerick, who col-
lapsed on Kilkee Strand when leaving
the water after a bathe, a verdict of
death due to cardiac failure in accord-
ance with the medical evidence was re-
turned.

A vote of sympathy was passed to de-
ceased's wife, children, and relatives, and
Inspector O'Halloran, on behalf of the
Gardai, associated himself with the re-
