

GAME OF BOWLS.

Revival in Limerick.

The ancient pastime, the game of bowls, which is very popular in some districts of Munster, particularly in the County of Cork, is being revived in Limerick, and a challenge match has been arranged to take place at O'Connor's Cross (near Ardnacrusha) on next Sunday at 12 noon.

The principal match is between a representative of the staff of the Savoy Cinema (John Birmingham) and a member of the staff of Messrs J. and G. Boyd (William Sheehan). The game will be followed by a minor contest, in which G. Brown (Savoy), will try conclusions with Matt Kelly (Savoy).

It is hoped to make the game popular in this area, and those wishing to interest themselves in the pastime are requested to communicate with Richard Murphy, Savoy Cinema, Limerick.
