## 100 Tons Steam Coal, at per ton.

The Coal to be delivered and stored at the Mental Hospital free of all expense. The name of the colliery from which it is intended to supply must be stated when tendering, and "Colliery Certificate" and "Bill of Lading" furnished before delivery. The delivery to be continuous until complete, and not less than 50 tons each day, between the hours of 7 a.m. and 6 p.m. The coal must be supplied within 14 days of acceptance of tender, and must be weighed on the Harbour Lever.

The printed form of tender to be had at the Storekeeper's Office up to 5 p.m. on Monday, 8th March, 1937, will only be considered.

Tenders should be properly endorsed on the outside "Steam Coal," and sent in BY POST, addressed to the Resident Medical Superintendent, so as to reach him not later than Tuesday, 9th March, 1937.

## The Coal must contain 90 per cent. large.

Contractor will be required to execute a bond, and must attend at the Clerk's Office with sureties, for the purpose of completing same, within six days of declaration of contract, otherwise the contract will be annulled.

A deposit of £2 (Two pounds) must accompany each tender for the due performance of the bond, which will be returned in the case of rejected tenders. The Committee do not bind themselves to accept the lowest or any tender.

By order.

PADRAIG O'FLANNAGAIN, Cleireach.
