quite unsuitable for its use. Mr. Cullinan, B.L., contended that the plaintiff's ankle would have been perfectly well again if she had been treated by a medical man, but Mr. Liston, B.L., submitted on the other hand that it was perfectly natural for the plaintiff to attend a well known local manipulator. I hold with Mr. Liston, and I base my decision on the case of McLennon against Seiglin, 1917. I will give a decree for £105, and reserve the question of expenses."

## DEATH OF MR. BURTON SMITH, ADAKE.

It is with regret we announce the death of Mr. Burton Smith, Curraghbridge House, Adare, which occurred at his residence on the 2nd inst., after a brief illness. The deceased was one of the most popular members of the community in the district. By his kindly disposition and good neighbourship he won the respect of both rich and poor. His loss will be felt not alone by the members of his family, but by all who had the pleasure of his acquaintance. Mr. Smith spent a long number of years at the firm of Cannock and Co., from which he resigned some years ago. Sincere sympathy is extended to his widow and other members of his family in their bereavement.

The funeral took place on Thursday, 4th, to the family burial-place, Adare, amidst manifestations of very deep regret. The large and representative cortege from the city and county was ample proof of the popularity enjoyed by the deceased and his family.

In the unavoidable absence of Rev. Canon Orpen, the Rev J. R. Craig officiated at the graveside.
