
Death of Lieut. D Barry

News of the death, which occurred on Wednesday morning in a city hospital, of Mr David Barry, Lieutenant of the City Fire Brigade, has been learned with deep regret by the citizens.

Mr Barry, who served in the Fire Brigade for 38 years, was on active duty up to a few days ago and his death was rather unexpected. He was a most courteous and obliging officer and was held in high esteem and popularity by the citizens. Sincere sympathy is extended to his widow and family. The funeral on Thursday was very representative, one of the largest seen in the city for some time.
