## Died in U.S.A.

---

News has reached Limerick of the unexpected death in the prime of life of Mr Wm Connery, a native of Prospect district, Limerick, and who emigrated to the U.S.A. thirty years ago. A compositor by trade, the late Mr Connery served his apprenticeship at the "Munster News."

Mr Connery quickly made good in the land of his adoption, and at the time of his death was principal supervisor in one of the largest printing offices in Chicago.

Prior to his emigration popular "Bill" was an enthusiastic Rugby forward with the old Richmond (Hogar) team, the remaining members of whom mourn the loss of a sincere companion and a good sport.

Sympathy is extended to the relatives of deceased in their bereavement.
