Another Search For Girl's Body At Kilkee

Favoured with a calm sea, on Monday, a canoe manned by James Foran and Pk Dinan put out to make a search for the body of Miss Eily Mahony, who was drowned at the Diamond Rocks, Kilkee, on 31st August.

The men searched all the caves and inlets for miles along the coast, but could not find any trace of the body. Little hope of recovering the body is now held, but the fishermen are drawing the sea where it is thought the girls were drowned in the hope that the body may lie at the bottom.
