

A Draw Tournament

At the Parochial Hall, Charleville, last night an interesting boxing tournament between Limerick Catholic Boy Scouts and Charleville Amateur Boxing Club took place before a large audience. Some excellent bouts were witnessed, and much talent displayed by the combatants. The tournament ended in a draw, with each side winning three bouts. Results:—

In a special (three two-minute rounds) bout P. Campion, Kilmallock, beat J. Hurley, Charleville. The latter put up a very creditable display, but was out-pointed by the more aggressive opponent.

THE MOTOR RACE.

Local Committee Busy

The Motor Car Road Race Committee are at present busily engaged making preparations for the fixture to take place on the August Bank Holiday. A number of meetings have been held during the past few weeks and indications go to show that the race will be a phenomenal success from every point of view. A public meeting representative of the citizens will be held in the Town Hall on Monday, 7th prox., when a "drive" will be made to secure funds. Without money, of course, the Committee can do little.

GENEROUS OFFER

Lord Dunraven and Horse Show

The Earl of Dunraven, presiding at the annual meeting of the Limerick Horse Show Society, announced that he was prepared to build suitable sheds for the display of cattle at the Show at his own expense.

This declaration was received with loud applause.

Mr. J. McCormack, Chairman, thanking his lordship, said that a couple of years ago people did not bother about cattle. To-day cattle were a valuable asset. He had no doubt they would become more valuable as a result of the international negotiations now proceeding, which they all hoped would be successful.
