OBITUARY.

DEATH OF MR. P. CONLAN.

We regret to record the death, which occurred last evening, after an illness of some duration, of Mr. Patrick Conlan, Garryowen Villas, Limerick.

The late Mr. Conlan was one of the Mayor's Sergeants for over 40 years, and retired on pension about two years ago. He was well known and highly esteemed by the citizens of Limerick, and during his long years of service under the Limerick Corporation was a most courteous and obliging official. He was immensely popular with the large number of people with whom he came in contact each day. His death at an advanced age removes yet another link with the Limerick of former years.

To his son, Mr. Patrick Conlan, Asst. Town Clerk, and other members of his family we offer sincere sympathy in their bereavement.
