## Death of Mr J J Clery

### County Horticultural Instructor

The deepest sorrow and regret was  
manifested in Limerick on Saturday when  
the remains of Mr J J Clery, county horti-  
cultural instructor, left his residence in  
Mulgrave street en route for Wicklow  
where the interment took place. The cor-  
tege was of huge proportions, representa-  
tive of professional and business interests  
in the city. It was a striking testimony to  
the popularity of the deceased, as well as  
an expression of sympathy with his widow  
and young family in their great bereave-  
ment. Amongst the concourse of mourners  
were the chairman and members of the  
County Council, County Agricultural Com-  
mittee and members of the committee of  
the Limerick Horse Show.
