

Fatal Fall

Limerick Woman's Sad Death

Miss Hannah Hickey, Coonagh Cottage, Limerick, a middle-aged woman, fell from the West Pier, Dun Laoghaire, on Thursday evening, and was found to be dead on admission to Monkstown Hospital.

The tide was out at the time. There are rocks near the pier.

A letter that contained the words "Miss Hickey, Charlemont Hotel," found on her, led to her identity.

The deepest sympathy is felt in Limerick with her respected family.
