## Death of Right Rev Monsignor Macnamara

We deeply regret to chronicle the demise of Right Rev Monsignor Patk Macnamara, P P, Kilsyth, Glasgow, which sad event occurred at Dun Laoghaire on Sunday.

Monsignor Macnamara, who was in his 76th year, was a native of county Limerick, and was brother of Rev T J Macnamara, P P, Patrickswell.

He celebrated his golden jubilee about two years ago and was recently appointed a Domestic Prelate by the Pope.

He came to Ireland on holidays about two months ago and was to return to his diocese next week. Quite recently he visited Limerick and was present at the funeral of Right Rev Dean Connolly, P P, Newcastle West.

Following Solemn Requiem Mass at St Michael's, Dun Laoghaire, to day, the remains were removed to Limerick where they were interred in Mount St Laurence Cemetery.
