## Passing of Mr. Michael Kiely

---

Much regret is felt in the city at the passing of Mr Michael Kiely, of McNamara Terrace, Limerick, which occurred at St. John's Hospital early on Monday morning after a protracted illness.

Deceased gentleman, who was for many years an official in the Rate Collection Department of the Limerick Corporation, was a native of Dromcollogher. He was a man of the highest probity, and possessor of a gentle and unassuming character, allied to a most Christian and charitable outlook.

To the bereaved relatives we tender our very sincere sympathy. The funeral this evening to Mount St Lawrence Cemetery was attended by the Mayor (Alderman D. Bourke, T.D.), and members of the Corporation, as well as a vast gathering of the citizens.
