DEATH OF MR. A. KING

The death, which we regret to an-

nounce, took place of Mr. Alfred King, at his home, 9 O'Connell Terrace, this morning. He was 79 years of age, and his illness had been of brief duration. Mr. King was a well-known and popular citizen, who had selected navigation in the upper reaches of the Shannon as his calling. For years he was engaged in the transport of merchandise with his own boats between Limerick, Athlone, and other towns served by the Grand Canal and river navigation. He enjoyed

a good trading connection, and retired

about a decade ago. Of a very cheerful

disposition, he made many friends, who

will extend sincere sympathy to his

family in their bereavement.
