Death of Distinguished Nun in Limerick

The death occurred at the Convent of the Good Shepherd, Limerick, on Sunday morning of Mother Mary of St. Columba Cahill. The passing of this esteemed member of the Limerick Community will be widely and sincerely regretted. She was a gifted lady who had spent the extremely long period of 63 years in religion. That her gifts were appreciated to the full was evident from the fact that she acted for a number of years as Mother Provincial of the Order. In this latter capacity she travelled to France and Italy on her visitations to the houses of the Good Shepherds. In May of last year she celebrated her diamond jubilee as a nun, an event rare in the lives of religieuses. Her death has come in the fulness of years, notwithstanding which she retained her faculties almost to the last with wonderful clarity. She was daughter of the late Mr. Patrick and Mrs. Cahill, Knocknagoul, Croustown, County Cork.
