rs who, because of and other reasons, r car for the pre-well to study the n which were sug-

the floor by rais-your tyre pressures the radiator, petrol uld do no harm to agine oil into each See that the body olished; smear all e.ine. Put a few and movable parts d windows; if you row over the car, you will need to three times during in trim and the e inspected and prevent corroding. age.

## SCILLY ISLANDS

e of historic inte-es, caught re last

affected, and stre-de to prevent the

ne of Major A. A. an of the Scilly a for visitors, be-s and beauty. It ardens, known all

to have the boundary wali of the Cathe-dral at the corner of Bridge Street and Nicholas Street removed and rebuilt a few feet back in order to facilitate traffic. The particular spot indicated is very dangerous and accidents have oc-currd there from time to time. The permission of the authorities of the Cathedral has been requested to permit the Corporation to broaden the roadway by removing the angle of the boundary wall, and we understand endeavours will be made to comply as far as possible with the wishes of the Council.

## SUDDEN ILLNESS

### DEATH OF FARMER IN COUNTY LIMERICK.

The death took place, after a few hours' illness, of Mr. Ed. Coll, Bailly-philip, Croom. Deceased, who resided with his brother, was taken suddenly ill on Sunday morning. Rev. T. Mortell, P.P., Banogue, attended to administer the last rites, and later deceased had medical attendance, but passed away that day. Following removal of the remains to Banogue Church, interment took place at Croom on New Year's Day in the presence of a large procession of sym-pathisers. Rev. Fr. Mortell, P.P., Banogue, recited the last prayers at the graveside.

Much sympathy will be extended to the surviving brother of the deceased and a wide circle of relatives.
