badly circumstanced in the matter of  
hospital accommodation, Croom has  
not the requisite space at all times,  
although we were blandly informed it  
was large enough to meet the require-  
ments of the county. Our concern is  
primarily to see that the integrity of the  
voluntary hospitals is maintained and  
their financial status improved in order  
that they may be in a more favourable  
position to carry on a splendid tradition.

#### MANAGER THANKED

At Limerick Corporation, Mr. Casey,  
said that congratulations were due to  
the Manager for having settled so ami-  
cably pending disputes with sections of  
the Corporation employees. By his wis-  
dom and capacity for compromise, the  
Manager had avoided the chaos now ob-  
taining elsewhere.
